NATO JOURNALISTS TOUR CANADA

A party of 21 journalists from NATO countries are now on an extensive 21 day air tour of Canada. Their itinerary includes important defence, industrial centres and major cities in all ten provinces. Before they return to PARIS at the end of June they will have covered approximately 12,000 miles in a North Star airliner of the Royal Canadian Air Force Transport Command.

Correspondents are shown aboard the "Ottawa Queen" for their scenic cruise on the Ottawa River as guests of the Ottawa Tourist Bureau
